Dear Prof. Dr. Babette Simon,

You have submitted a proposal under Action 2 in the framework of the Erasmus Mundus Call for proposals EACEA 38/12.

I am pleased to inform you that your above-mentioned proposal has been selected.

The Agency has received 192 proposals under Action 2 – Erasmus Mundus Partnerships, 180 under Strand I and 12 under Strand II. 57 Action 2 projects were selected for funding under Strand I and 5 under Strand II. A further 25 projects are on the reserve list.

The proposals were assessed with the assistance of independent academic experts. Enclosed you will find the consolidated version of the experts' assessments of your proposal. Please take account of the fact that most of the assessments were written by non-native speakers and that the Agency cannot comment on these independent assessments.

The selection decision is based on the quality of the proposal, its relative position in comparison with the other proposals received, the budget available as well as the extent to which it addresses the priorities indicated in the Call for proposals.

Later in July the Agency will publish on the Erasmus Mundus website a project description comprising information included in your application:

It is very important that you provide us with the "url" of your project's website as soon as this is available, so that this link can also be given on the Agency's site. If you have amendments to make to the project description after publication, please let us know via the Erasmus Mundus mailbox, EACEA-Erasmus-Mundus@ec.europa.eu.
